And so it began as I sat by my window, all by myself in

the dawn

Nobody else, no polite conversation, just waiting for life

to come on . . .

I think of my life as I look out my window, people I love,

places I've been . . .

Sometimes I feel I could go on forever, with nothin' to

lose, nothin' to win . . .

I'm watching the Sunrise, and glad to be livin; Sunrise,

shine over me.

Thank you to Berni Maycox and Adrienne Anderson for letting us to use their song

1978 CHRISTMAS BALL

The 1978 Christmas Ball was a smashing success. This year's theme was "Always and Forever." The lovely court was made up of four lucky girls: Claudia Gade, Kim Marconi, Kari Hemphill and Lori Turnage. The highlight of the evening came with the crowning of our new Christmas Queen, Sandy Garcia. It was a night to be remembered.

The six girls serving as Junior Varsity cheerleaders have done a great job this year! Headed by Nancy Lang, they won many ribbons, a Superior trophy, plus a spirit stick with Varsity cheer.

These girls definitely played an active part in continuing the spirited tradition of Royal Oak's cheerleaders. Their eagerness proved to be quite helpful throughout the year.

ROMANETTES

The 78-79 Romanettes, Royal Oak's small precision group, was headed by Rebecca Cammans. This unit has a reputation for winning and this year is no different.

At camp these girls won two 1st place trophies and a spirit award. They worked very hard and it certainly paid off!

PLAY PRODUCTION

Mr. Baird

Play Production is a class that meets after school at Charter Oak. The students from ROHS and COHS get together for one basic reason, to produce plays which they do quite well. In fact, these plays have won a chance to perform at a high school theater festival for five years in a row, and will possibly go again this year. The biggest reason for the success, and quality of these plays, is that they are directed by H.K. Baird, and that a lot of people put in hundreds of hours working on them, whether it be acting, working on scenery, working the lights, or other phases of the production. When you put in at least one hundred hours, you are eligible to become a Thespian.

DEPARTMENT

CHORUS

Royal Oak High School's Music Department has strived for excellence in performance this year. Despite the small groups, Mr. Farris has done an excellent job. The students have learned a great deal and done remarkably well.

A.S.B. PRESIDENT

As A S B. President, I have had many valuable and exciting experiences. It certainly was never boring! Even the election was unusual, considering my speech was given by a friend, while I was in the hospital.

I certainly learned how to handle responsibility on my own. There were times when I wanted to hand over all my responsibilities to someone else, anyone else but me.

Students often ask me, "What have you accomplished this year? What have you done as President?" What they don't understand is that there aren't any major problems to work on at Royal Oak. I did start the *Royal Oak Forum*, which has considerably improved the student body. I also established a Chapter of the *Junior Statesmen of America* at Royal Oak, which enables student leaders to participate in statewide conferences and conventions geared at acquainting students with their local Government.

All in all, this year has been a good one. I've seen our school spirit increase, student communication improve, and I've seen a small decrease in student apathy.

I hope Royal Oak students will always appreciate the fine school they attend, and take every opportunity they can to get involved.

Gretchen Kirsch

STUDENT GOVERNMENT

A.S.B. VICE-PRESIDENT

Serving the office of A.S.B. Vice President has been a great social and educational experience for me.

I have enjoyed helping the classes with their problems, and running the leadership class.

I have really enjoyed working with Dr. Brand, my past three years of leadership. For he is truly a great person with a lot of understanding.

And, I would like to encourage more people to get involved in supporting our school by running for offices and joining various sports clubs, and pep unit activities.

Thanks and good luck,
Kelli Kirkland

The President's Advisory Board, consisting of Avi Soffer, John Frost, Tom Stewart, Beth Horwitz, Gretchen Kirsch (President) and Melissa Trickey do in-depth inquiries in different areas of school functions. The ASB President, Gretchen Kirsch, consults them on important ASB matters.

LEADERSHIP - LEADERSHIP

This year's *Leadership Class* consists of 26 members which is the largest number of students ever to be included in Leadership. Some of the goals of Leadership Class are to better communicate with students, to plan special

activities and to participate in community related projects. The students involved in these projects try to represent the total Royal Oak ASB and to present an ASB program which is enjoyable and relevant to the goals established.

LIFE WITH FATHER

The month is December - The day, Wednesday. The entire Royal Oak/Charter Oak Drama Department sits in the drama room at Charter Oak High School talking and waiting. A phone rings ... as Director H. Kay Baird answers, there is total silence. When he hangs up the phone he announces that he is needed in the office and that he will return shortly. The nervousness begin to build and conversation once more begins. When Mr Baird returns he is holding a yellow slip of paper from Western Union ... it is a telegram. With a lump in his throat he announces to his drama group that they have won the California Educational Theatre Association Festival and will perform for all their peers at an annual weekend festival gathering. There is a moment of silence while all within sit in awe, then the room breaks into total energy. Screaming, laughing, and crying can be heard all over the campus

This is the familiar scene that has taken place (with a few variations) every December for the past 6 years. Congratulations to our widely reknowned theatrical group. We all wish you continued success
